## **X-force Alias Design 2007 Free Download**

AutoCAD is a commercial computer-aided design (CAD) and drafting application. Developed and marketed by Autodesk, AutoCAD was first released in . Currently, the program is sold in versions for workstations, Windows and Macintosh computers, as well as online access. This book uses the workstation version (AutoCAD Desktop). This version allows users to customize AutoCAD to their own needs. For each type of drawing that can be done in AutoCAD, you can set one of three levels of customization: Standard, Expert, and Full.
